Strategic Data Analyst & Senior Audit Consultant *Precision Audit Analytics | Ibadan, Nigeria*

Professional Summary

Strategic leader with over 20 years of experience in financial auditing, economic research, and advanced data analytics. Expert in bridging the gap between legacy financial systems and modern predictive modeling. Proven track record in leading World Bank-funded audits, optimizing state-wide revenue, and deploying machine learning solutions for complex risk assessment.

Core Competencies

- **Advanced Analytics:** Predictive Modeling, Risk Intelligence, Econometrics.
 - **Technical Stack:** Python (pandas, scikit-learn, Streamlit), SQL, Tableau, Power BI.
 - **Senior Auditing:** Statutory Audit, Financial Forensics, Revenue Optimization.
 - **Research:** Macroeconomic Debt-Growth Analysis, Macro-Econometric Modeling.
-

Professional Experience (The Senior Tenure)

Lead Consultant | Jigawa State Government / World Bank Projects

Lead Consultant & Senior Auditor | World Bank Assisted Projects *Managed critical financial audits and consultancy for World Bank-funded initiatives.*

- **Audit Rigor:** Orchestrated comprehensive financial audits for state-level projects, ensuring 100% compliance with international financial reporting standards (IFRS) and World Bank procurement guidelines.
- **Transparency:** Implemented structured data-tracking mechanisms that improved the accuracy of financial disclosure, facilitating the release of subsequent funding tranches.
- **Risk Mitigation:** Identified systemic financial anomalies through rigorous ledger auditing, providing executive recommendations that prevented significant budgetary leakage.

Lead Audit Consultant | Jigawa State Government *spearheaded revenue optimization and fiscal consultancy for state government entities.*

- **Revenue Growth:** Analyzed state-wide fiscal data to identify untapped revenue streams, leading to a measurable increase in internally generated revenue (IGR) through optimized collection strategies.
- **Fiscal Reform:** Provided strategic advisory on the digital transformation of government accounting systems, moving from manual ledgers to automated database management.
- **Policy Impact:** Authored executive technical reports on debt management and fiscal sustainability that informed state-level macroeconomic policies.

Audit Manager | Echo Securities & Investment Co. / R.A. Popoola & Co. *Managed the auditing lifecycle for complex financial securities and commercial portfolios.*

- **Portfolio Integrity:** Directed the auditing of high-volume security portfolios, ensuring the precision of transaction logs and the integrity of investor capital records.
- **Forensic Analysis:** Conducted deep-dive forensic audits to detect and resolve discrepancies in commercial bank statements and investment ledgers.
- **Team Leadership:** Supervised audit teams in the field, mentoring junior auditors on advanced data verification techniques and statutory compliance.

Technical Stack & Professional Certifications

Data Science & Analytics Tools

- **Programming & Scripting:** Python (Specialized in **pandas**, **NumPy**, **Matplotlib**, **Seaborn**).
- **Machine Learning:** Supervised Learning (Classification/Regression), **scikit-learn**, Model Optimization.
- **Business Intelligence:** Tableau Desktop, Power BI, Advanced SQL for Data Extraction.
- **Deployment:** Streamlit Cloud, GitHub Pages, Google Cloud Platform (GCP).

Professional Certifications (Google Certified)

- **Advanced Data Analytics Professional:** Specialization in predictive modeling and experimental design.
- **Business Intelligence Professional:** Expertise in data modeling and stakeholder-focused dashboarding.
- **Cybersecurity Professional:** Competence in network security, threat detection, and SQL-based security auditing.

Research & Academic Excellence

- **Econometric Modeling:** Proficient in time-series analysis and threshold regression.

- **Research Leadership:** Lead author for structural debt-growth nexus studies.
- **Quantitative Methods:** Advanced statistical analysis for macroeconomic policy formulation.

Academic Credentials & Certifications

- **M.Sc. Economics** | Ambrose Alli University, Ekpoma.
 - **Post-Graduate Degree in Statistics** | University of Ibadan.
 - **Certified Business Intelligence Analyst** | Google Professional Certification.
 - **Certified Cybersecurity Analyst** | Google Professional Certification.
-

High-Impact Projects

- **The Merchant Bank Paradox:** Structural anomaly research submitted to CBN Journal.
- **Structural Divergence in Debt-Growth:** Published Dataset & Analysis.
- **Risk Shield Applications:** Live Streamlit deployment of ML classification models.
